Challenge of the Americas

*We call on you to challenge breast cancer
by supporting the fight at COTA 2020.*

The Challenge of the Americas invites you to join in the excitement of the most eagerly anticipated, one-of-a-kind equestrian event of the 2020 season. Since 2002, elite riders from around the world have performed magnificently to assist the Breast Cancer Research Foundation, through their partner Play for P.I.N.K., in raising much needed funding for lifesaving research to prevent and find a cure for breast cancer.

Having evolved over the years from an afternoon dressage exhibition/luncheon in 2002, the Challenge of the Americas has grown into an under-the-lights international equestrian extravaganza and gala. Its success and continued growth is due to its partnership in the fight against breast cancer, as well as its unique and highly entertaining format that features the ever-popular musical Grand Prix Quadrille Team Challenge – forever to be recognized as “dancing for women and men around the world.”

There are few, if any, places throughout the globe where an audience can delight in the performances of such a large and distinguished group of riders and their magnificent partners. Then, enjoy an elegant evening of dinner and dancing at the Challenge Gala. The Challenge of the Americas is a truly spectacular event to be enjoyed by all.

Become a Part of Finding a Cure

The Challenge of the Americas has raised over \$3.1 million to assist in finding a cure for breast cancer through our beneficiary Play for P.I.N.K. (PFP), a partner of the Breast Cancer Research Foundation (BCRF).

Play for P.I.N.K.® (Prevention, Immediate Diagnosis, New Technology, Knowledge) is a 501(c)(3) grassroots organization dedicated to raising funds to fight breast cancer through lifestyle and sporting events. Play for P.I.N.K.'s commitment is to contribute 100% of all proceeds to their sole beneficiary, the Breast Cancer Research Foundation in order to fund the world's top researchers. In 2018, PFP donated \$4.75 million to BCRF for a cumulative total of over \$57 million.

We want to see a cure for breast cancer in our lifetime and we ask that you join us in our quest by becoming a sponsor of the 2020 Challenge of the Americas.

Thank you for your consideration and I look forward to hearing from you soon.

Sincerely,

Mary Ross, Chairman
Challenge of the Americas
